50X1-HUM

1. USIG has issued an instruction to SAG AMO to scrap the existing 1953 production plan for its plants and replace it with plans drawn up by each individual plant. The new plans will include no reparations and a maximum of 10% for export to the USSR. Reparation orders already in hand will, however, be completed for shipment.
2. USIG will continue to supervise the execution of the new plans, but in view of the alterations, staff reductions will take place, both at USIG itself and at SAG AMO headquarters.
